TO THE HONORABLE ROBERT E. GERBER,  
UNITED STATES BANKRUPTCY JUDGE:

Motors Liquidation Company (f/k/a General Motors Corporation) and its  
affiliated debtors, as debtors in possession (collectively, the “**Debtors**”), respectfully represent:

**Relief Requested**

1. Despite the progress made to date in reconciling the tens of thousands of claims filed in these chapter 11 cases, much work remains. While the Debtors largely have succeeded in causing filers of unliquidated claims to amend their claims to assert liquidated amounts or caps in order to facilitate distribution under the Debtors’ Chapter 11 plan, a number of unliquidated claims remain. In order to make distributions under their proposed plan of liquidation, the Debtors need to set aside sufficient assets to make distributions to these holders of unliquidated claims if and when their claims are allowed.

2. By this Motion, the Debtors request entry of an order pursuant to sections 105(a), 502(c) and 1142(b) of title 11 of the United States Code (the “**Bankruptcy Code**”) and Rule 3021 of the Federal Rules of Bankruptcy Procedure (the “**Bankruptcy Rules**”), substantially in the form annexed hereto as **Exhibit “A”**, approving (a) the establishment of distribution reserve amounts to be used by the GUC Trust pursuant to Article VII of the Debtors’ proposed Amended Joint Chapter 11 Plan (as may be supplemented, modified or revised, the “**Plan**”)<sup>1</sup> to set aside distributions on account of certain unliquidated and disputed Claims, or potential Claims, filed in these cases, which are not yet Allowed (the “**Fully Unliquidated**

**Claims Reserve**”);<sup>2</sup> and (b) certain procedures, consistent with the procedures established under the Plan, for the establishment and administration of such disputed claims reserves (collectively, the “**Claims Reserve Procedures**”).<sup>3</sup>

### **Jurisdiction**

3. This Court has jurisdiction to consider this matter pursuant to 28 U.S.C. §§ 157 and 1334. This is a core proceeding pursuant to 28 U.S.C. § 157(b). Venue is proper before this Court pursuant to 28 U.S.C. §§ 1408 and 1409.

### **Background**

4. On December 7, 2010, the Debtors filed the Plan (ECF No. 8015), and on December 8, 2010, the Debtors filed their disclosure statement in respect of the Plan (the “**Disclosure Statement**”) (ECF No. 8023). On December 8, 2010, this Court entered an order approving the Disclosure Statement (ECF. No. 8043) and related solicitation procedures. Solicitation of votes on the Plan is currently underway. A hearing on confirmation of the Plan is currently scheduled for March 3, 2011 (the “**Confirmation Hearing**”).<sup>4</sup>

### **The Claims Process**

5. On September 15, 2009, the Debtors filed their respective schedules of assets and liabilities and statements of financial affairs (as amended, the “**Schedules**”). By order

---

<sup>2</sup> By this Motion, the Debtors are not seeking to establishing distribution reserve amounts for any portion of the environmental claims subject to the Environmental Response Trust under Section 6.4 of the Plan.

<sup>3</sup> By separate Motion, being filed concurrently herewith, the Debtors also seek the estimation of certain partially unliquidated Claims for purposes of establishing individual distribution reserve amounts for such claims (the “**Partially Unliquidated Reserve**”).

<sup>4</sup> In the event that no objections to this Motion remain unresolved, the Debtors reserve the right to adjourn the hearing on this Motion to March 3, 2011 and to seek approval of the Disputed Claims Reserve as part of the Confirmation Hearing.

dated September 16, 2009 (ECF No. 4079) (the “**Initial Debtors’ Bar Date Order**”), the Bankruptcy Court established November 30, 2009 as the bar date for creditors to file proofs of Claim asserting prepetition liabilities against the Initial Debtors<sup>5</sup> (the “**Initial Debtors’ Bar Date**”). By order dated December 18, 2009 (ECF No. 4681) (the “**Property Bar Date Order**”), the Bankruptcy Court established February 10, 2010 as the deadline for entities residing adjacent to or in the proximity of certain Initial Debtors’ properties to file a proof of Claim with respect to damages to their person or real property (the “**Property Bar Date**”). By order dated December 2, 2009 (ECF No. 4586) (the “**REALM/ENCORE Bar Date Order**,” and together with the Initial Debtors’ Bar Date Order and the Property Bar Date Order, the “**Bar Date Orders**”), the Bankruptcy Court established February 1, 2010 as the deadline for each person or entity to file a proof of Claim against Debtors Remediation and Liability Management Company, Inc. (“**REALM**”) and Environmental Corporate Remediation Company, Inc. (“**ENCORE**”) and April 16, 2010 as the deadline for governmental units to file a proof of Claim against REALM and ENCORE (the “**REALM/ENCORE Bar Dates**,” and together with the Initial Debtors’ Bar Date and the Property Bar Date, the “**Bar Dates**”).

6. The Plan also establishes the bar date for filing proofs of Claim for damages arising from the rejection of executory contracts and unexpired leases as the date that is thirty (30) days after the Confirmation Date, as defined in the Plan (the “**Rejection Damages Bar Date**”).

---

<sup>5</sup> “Initial Debtors” refers to the four entities that filed voluntary petitions for relief under chapter 11 of the Bankruptcy Code on June 1, 2009:

- Motors Liquidation Company (f/k/a General Motors Corporation)
- MLCS, LLC (f/k/a Saturn, LLC)
- MLC Distribution Corporation (f/k/a Saturn Distribution Corporation)
- MLC of Harlem, Inc. (f/k/a Chevrolet-Saturn of Harlem, Inc.)

7. The Debtors provided notice of the Bar Dates to all known creditors and potential creditors in accordance with the requirements of the Bar Date Orders. To date, more than 78,000 proofs of Claim have been filed in these cases (collectively, the “**Filed Claims**”) in addition to claims identified in the Schedules (collectively, the “**Scheduled Claims**”).

8. The Debtors have made every effort to expedite the claims resolution process. The Debtors have reviewed and reconciled claims and pursued the resolution of claims through (a) prosecuting over 209 omnibus claims objections with respect to approximately 37,700 claims; (b) pursuing claims settlements; (c) pursuing claims resolutions under the Court-approved alternative dispute resolution procedures (the “**ADR Program**”); and (d) reconciling and allowing claims consistent with the Debtors’ books and records.

9. The Debtors’ actions to date have resulted in a reduction in claims from approximately \$274 billion to less than \$50 billion. Claims have also been reclassified where they improperly asserted either secured, administrative, and/or priority claims.

10. The statutory committee of unsecured creditors appointed by the U.S. Trustee in these chapter 11 cases (the “**Creditors’ Committee**”) has been directly involved in the Debtors’ Claims resolution process. Since the Claims resolution process began, the Debtors have provided the Creditors’ Committee with detailed information regarding Claims and the Debtors’ efforts in pursuing the resolution of Claims. The Debtors have sought Creditors’ Committee consent to any material Claims settlements, and the Creditors’ Committee has received all notices of Claims settlements provided for under the Claims Settlement Procedures. In addition, the Debtors have consulted with the Creditors’ Committee on any Claims where the Debtors have pursued resolution through the ADR Program.

### **The Claims Reserves**

#### ***Applicable Plan Provisions***

11. Section 6.2 of the Plan provides for the establishment of the GUC Trust “to administer certain post-Effective Date responsibilities under the Plan, including, but not limited to, distributing New GM Securities and resolving outstanding Disputed General Unsecured Claims to determine the amount of Allowed General Unsecured Claims that will be eligible for distribution of their Pro Rata Share of New GM Securities under the Plan.” Plan § 6.2(b).

12. The Plan provides for distributions from the GUC Trust to be made on account of Claims that are Allowed Claims. General Unsecured Claims against the Debtors are classified in Class 3 under the Plan. Section 4.3 of the Plan provides for the following distribution to each holder of an Allowed General Unsecured Claim in Class 3:

(a) As soon as reasonably practicable after the Effective Date (but not earlier than the first Business Day following the Distribution Record Date), each holder of an Allowed General Unsecured Claim as of the Distribution Record Date shall receive from the GUC Trust its Pro Rata Share of (i) the New GM Securities or the proceeds thereof, if any, and (ii) the GUC Trust Units, in accordance with the terms of the GUC Trust and the GUC Trust Agreement.”

Section 4.3 of the Plan further provides that “The GUC Trust shall make subsequent distributions of New GM Securities and GUC Trust Units to holders of Disputed General Unsecured Claims as of the Distribution Record Date whose Claims are subsequently Allowed.”

13. Section 1.112 of the Plan sets forth the calculation of the Pro Rata Share for distribution purposes and defines “Pro Rata Share” as “the ratio (expressed as a percentage) of (i) the amount of any Allowed Claim in a particular Class to (ii) the sum of (x) the aggregate

amount of Allowed Claims in such Class and (y) the aggregate amount of Disputed Claims in such Class.” Section 1.112 of the Plan contemplates the creation of reserves for Disputed Claims for purposes of calculating the Pro Rata distribution: “The Debtors may seek a determination by the Bankruptcy Court of the amount that should be reserved in determining the Pro Rata Share on account of Disputed Claims on an individual or aggregate basis.”

14. Article VII of the Plan sets forth the “Procedures for Disputed Claims,”<sup>6</sup> and Section 7.2 of the Plan provides that “if any portion of a Claim is a Disputed Claim, no payment or distribution provided hereunder to the holder thereof shall be made on account of such Claim unless and until such Disputed Claim becomes an Allowed Claim.” Section 7.2 of the Plan specifies that until such time as a Disputed Unsecured Claim is Allowed, such property shall be held in the GUC Trust or the Avoidance Action Trust Claims Reserve, as applicable.

15. Additionally, pursuant to Section 5.5 of the GUC Trust Agreement,<sup>7</sup> the GUC Trust Administrator

shall at all times, to the extent practicable, retain (a) sufficient GUC Trust Distributable Assets as the GUC Trust Administrator shall determine, in consultation with the GUC Trust Monitor and subject to the Budget, as would be distributable (I) to all holders of Disputed General Unsecured Claims at the time outstanding as if all Disputed General Unsecured Claims were allowed at the Maximum Amount, but only until such Disputed General Unsecured Claims are resolved . . .

The GUC Trust Agreement further provides that the “Maximum Amount” means:

with respect to any Disputed General Unsecured Claim, (x) the amount agreed to by the Debtors and/or the GUC Trust Administrator and the holder of such claim (which shall include any agreed capped amount pursuant to the ADR Procedures

---

<sup>6</sup> See Section 1.54 of the Plan for the definition of “Disputed.”

<sup>7</sup> The GUC Trust Agreement is attached as Exhibit D to the Amended Plan.

approved by the Bankruptcy Court; (y) the amount, if any, estimated or determined by the Bankruptcy Court in accordance with Bankruptcy Code Section 502(c); or (z) absent any such agreement, estimation or determination, the liquidated amount set forth in the proof of claim filed by the holder of such claim, or in the case of unliquidated claims, the amount estimated by the Debtors and/or the GUC Trust Administrator.

GUC Trust Agmt. § 1.1(jj). Accordingly, the GUC Trust Administrator is required to set aside a certain reserve amount Disputed Claims prior to making any distributions under the Plan. The Debtors are filing this Motion consistent with these provisions of the Plan and the GUC Trust Agreement.

16. The amount of New GM Securities available for distribution for potential Class 3 Claims under the Plan is fixed. No additional New GM Securities or GUC Trust Units will be issued for holders of Class 3 Claims that are not currently held by the Debtors. Therefore, in order to properly calculate the Pro Rata distribution for each Allowed General Unsecured Claim and make distributions prior to the resolution of the Disputed General Unsecured Claims, a reserve must be established to provide for potential Class 3 Claims that are not Allowed Unsecured Claims as of the applicable distribution date, but could become Allowed General Unsecured Claims in the future.

***The Need for the Fully Unliquidated Claims Reserve***

17. Despite the Debtors' intense efforts in the Claims resolution process and their considerable success in addressing and resolving thousands of Claims, there remain potential unliquidated claims in Class 3 of the Plan (General Unsecured Claims) that are yet to be resolved. With respect to unliquidated claims, the Debtors have made written requests to the entities filing such claims to liquidate the claims or provide a cap for reserve purposes. The efforts have been reasonably successful. Nonetheless, as of the date of this Motion, the Debtors

estimate that out of all of the General Unsecured Claims that may fall within Class 3, approximately 1,500 such General Unsecured Claims remain fully unliquidated, 1,075 of which are subject to pending formal objections. As of the Effective Date, the Debtors expect that there will be approximately 425 fully unliquidated claims remaining.

18. The establishment of the Fully Unliquidated Claims Reserve will allow for interim distributions on account of undisputed, Allowed General Unsecured Claims as soon as practicable after the Effective Date, while providing a mechanism to ensure later distributions to holders of unliquidated Disputed General Unsecured Claims should those Claims eventually become Allowed General Unsecured Claims. Moreover, the Fully Unliquidated Claims Reserve does not limit the ability of any individual creditor to prove the amount of its Claim or to recover on the basis of such proven amount in accordance with the Plan, subject to the aggregate limit of the Unliquidated Claims Reserve.

19. Given the anticipated timing of confirmation of the Plan (and if the Plan is confirmed as proposed, the Effective Date), the Debtors seek the Court's approval of the Fully Unliquidated Claims Reserve in order to balance the Debtors' ability to make meaningful distributions to holders of Allowed General Unsecured Claims in Class 3 as soon as reasonably practicable after the Effective Date, while not jeopardizing the potential recoveries for holders of Disputed General Unsecured Claims that may subsequently become Allowed.

***Components of the Fully Unliquidated Claims Reserves***

20. By this Motion, the Debtors seek to establish (a) initial distribution reserve amounts for certain fully unliquidated General Unsecured Claims based on an aggregate claim amount of \$420 million; and (b) certain procedures relating to the Fully Unliquidated Claims

Reserve. The Fully Unliquidated Claims Reserve is comprised of two primary components set forth below.

(a) Unliquidated Claims. The Debtors seek to establish the Fully Unliquidated Claims Reserve for certain Disputed General Unsecured Claims in Class 3 that are fully unliquidated. As referenced in footnote 2 above, the Debtors also are filing concurrently herewith a separate motion to establish the Partially Unliquidated Claims Reserve for partially unliquidated Disputed General Unsecured Claims.

(b) Executory Contract Rejection Claims. The Fully Unliquidated Claims Reserve will also account for certain future contingencies for presently unknown Claims that arise from rejection of executory contracts pursuant to the Plan. Under the Plan, the Rejection Damages Bar Date for contracts rejected pursuant to the Plan is proposed to be thirty (30) days after the Effective Date of the Plan. *See* Plan § 8.3. Therefore, the Debtors propose to reserve for rejection damage Claims that are not filed until after the establishment of the Fully Unliquidated Claims Reserve but prior to the Rejection Damages Bar Date. The number of contracts to be rejected and the resulting damage claims are not expected to be material.

(c) Inadvertently Disallowed Claims. As discussed above, in the course of the claims resolution process, the Debtors have filed or will file objections to thousands of claims, and although the Debtors have taken steps to prevent inaccuracies in the notice of such objections and the orders submitted with respect to such objections, the Debtors may discover Disallowed Claims that may have been inadvertently disallowed in the course of the claims resolution process and the Debtors may need to provide for distributions for such claims should they become Allowed following the Effective Date (the “**Inadvertently Disallowed Claims**”). Therefore, the Debtors reserve the right, following the Effective Date, to include certain

Inadvertently Disallowed Claim(s) in the Fully Unliquidated Claims Reserve should such Inadvertently Disallowed Claim(s) become Allowed following the Effective Date.

***The Debtors' Estimate of Fully Unliquidated, Disputed General Unsecured Claims***

21. In order to reach what they believe is an appropriate Fully Unliquidated Claims Reserve amount, the Debtors and their professionals performed an extensive, nearly claim-by-claim analysis of the unliquidated Disputed General Unsecured Claims in order to determine an appropriate reserve value for the unliquidated Disputed General Unsecured Claims. The Debtors and their professionals aimed to estimate each Claim at a value that, to the best of the Debtors' knowledge, reflects potential liability at a reasonable "high-end" estimate based upon: (a) an analysis of the Debtors' books and records; (b) the underlying proofs of claim and supporting documentation; (c) communications, if any, with the holders of the Claims; (d) the Debtors' historical experience with similar Claims (both prior to and during these cases); (e) the legal issues, if any, associated with the Claims; and (f) such other factors as the Debtors deemed relevant. The Fully Unliquidated Disputed Claims are identified on **Exhibits "B", "C", "D", "E", "F", "G" and "H"** annexed hereto and are incorporated herein by reference.<sup>8</sup> Based on this extensive review and analysis, the Debtors' estimate of the reasonable high-end aggregate valuation of the Fully Unliquidated Disputed Claims to be approximately \$370 million.

22. The Debtors seek to establish a total Fully Unliquidated Claims Reserve of \$420 million. The proposed amount for the Fully Unliquidated Reserve takes into account a \$50 million "cushion" over and above the Debtors' estimate of the reasonable high-end aggregate

---

<sup>8</sup> The Debtors believe that all Fully Unliquidated Disputed Claims are identified on Exhibits "B" through "H" annexed hereto. Any Fully Unliquidated Claims inadvertently omitted from Exhibits "B" through "H" nevertheless will be subject to the Fully Unliquidated Claims Reserve, and the Debtors reserve the right to amend Exhibits "B" through "H" to reflect additional Claims prior to the hearing on this Motion.

valuation of the Fully Unliquidated Disputed Claims. This cushion of \$50 million, will allow for unforeseen contingencies in the claims resolution process in the unlikely event that the Fully Unliquidated Disputed Claims would be resolved in an aggregate amount exceeding the Debtors' good-faith, high-end estimate.

23. The Debtors have discussed the establishment of the Fully Unliquidated Claims Reserve with counsel for the Creditors' Committee and believe that the Creditors' Committee will support the proposed Fully Unliquidated Claims Reserve at the time of the hearing on this Motion.

24. The Debtors believe that the proposed Fully Unliquidated Claims Reserve amount represents a reasonable compromise between the desire of holders of Allowed General Unsecured Claimants to obtain as large of a distribution as possible in the near term and the potential concerns of holders of Disputed Claims regarding the adequacy of the Fully Unliquidated Claims Reserve. Accordingly, the Debtors seek to establish the Fully Unliquidated Claims Reserve at \$370 million plus a cushion equal to \$50 million, for a total Fully Unliquidated Claims Reserve of \$420 million.

25. Annexed hereto as **Exhibit "I"** is the Declaration of Carrienne Basler in Support of the Debtors' Motion for Entry of an Order Establishing Claims Reserves in Connection with Distributions to be Made Under the Debtors' Amended Joint Chapter 11 Plan with Respect to, Among Other Things, Certain Unliquidated Claims (the "**Basler Declaration**"). Ms. Basler is a Managing Director of Alix Partners, LLP and a Vice President of the Debtors and has extensive knowledge in claims litigation activities, including major roles in the claims work in Dana Corporation, Hayes Lemmerz International, Inc., Mirant Corp., Harnischfeger Industries, Inc. (n/k/a Joy Global Inc.), and Woodward & Lothrop Holdings Inc. chapter 11

cases. Ms. Basler is intimately involved in the Debtors' claims process and attests to the reasonableness of the proposed Fully Liquidated Claims Reserve.

### **Claims Reserve Procedures**

26. Consistent with the procedures established under the Plan for the creation and administration of the GUC Trust, the Debtors propose the following additional Claims Reserve Procedures:

27. **Estimation of Individual Claims.**

(a) In the event that the Debtors or the GUC Trust Administrator, as applicable, determine that it is necessary or appropriate to establish a maximum specific reserve on account of any unliquidated, Disputed General Unsecured Claim (each an "**Individual Claim Reserve**"), the Debtors may file a Notice of Estimation of Disputed Claim for Reserve Purposes (an "**Estimation Notice**") with respect thereto, setting forth the asserted amount to be reserved for such Disputed General Unsecured Claim(s) and a summary of the grounds supporting the asserted amount. The Debtors or the GUC Trust Administrator, as applicable, shall serve the Estimation Notice on the holder of the underlying Disputed General Unsecured Claim(s) (and, if prior to the Effective Date, the Creditors' Committee). An Estimation Notice also may be incorporated into an objection to a Disputed General Unsecured Claim.

(b) The holder of such Disputed General Unsecured Claim(s) will have ten (10) days after service of the Estimation Notice (the "**Estimation Objection Deadline**") to object to the proposed Individual Claim Reserve by filing an objection, in writing, setting forth with specificity all objections to the proposed Individual Claim Reserve, together with any documentation supporting such objection (collectively, "**Estimation Objection**"), and serve such Estimation Objection upon the Debtors or the GUC Trust Administrator, as

applicable, (and, if prior to the Effective Date, the Creditors' Committee) so that the Estimation Objection is received no later than 4:00 p.m. (Eastern time), on the Estimation Objection Deadline.

(c) If an Estimation Objection is timely filed and served by the Estimation Objection Deadline, the Debtors or the GUC Trust Administrator, as applicable, will confer with the objecting party to attempt to resolve the Estimation Objection and determine the appropriate Individual Claim Reserve for the Disputed General Unsecured Claim. In the absence of such agreement, either party may schedule a hearing on the Estimation Notice and the related Estimation Objection on not less than fourteen (14) days' notice. The Debtors or the GUC Trust Administrator, as applicable, shall be entitled to file a reply no later than three (3) business days prior to the hearing.

(d) If no Estimation Objection is timely filed, the holder of the underlying Disputed General Unsecured Claim(s) at issue will be deemed to have consented to the Individual Claim Reserve and will be forever enjoined and barred from objecting to such Individual Claim Reserve. In such event, the Estimation Notice will be deemed to constitute a final and nonappealable order of the Bankruptcy Court establishing the Individual Claim Reserve, and the Debtors or the GUC Trust Administrator, as applicable, shall not be required to reserve an amount in the GUC Trust that is greater than the Individual Claim Reserve on account of the Disputed General Unsecured Claim(s) at issue.

28. Disallowed Claims.

(a) *No Reserves for Disallowed Claims.* Neither the Debtors nor the GUC Trust Administrator shall be required to maintain any reserves in the Fully Unliquidated Claims Reserve on account of any Claim, or portion thereof, that has been disallowed or denied

by an Order of the Bankruptcy Court (a “**Denial Order**”), notwithstanding any appeal or motion for reconsideration that may be filed by the holder of the Claim. A party seeking to appeal or obtain reconsideration of a Denial Order may request prior to the Effective Date of the Plan that the Bankruptcy Court establish a reserve pending such appeal or reconsideration; provided the reserve for such Claim may not exceed any reserve in place prior to the entry of the Denial Order. If the Bankruptcy Court grants a request for a reserve, it may condition such relief as appropriate to protect the interests of other stakeholders, including by requiring a bond for a stay pending appeal pursuant to Bankruptcy Rule 8005.

(b) *Inadvertently Disallowed Claims.* Notwithstanding subparagraph (a) above, the Debtors reserve the right, following the Effective Date, to include certain Inadvertently Disallowed Claim(s) in the Fully Unliquidated Claims Reserve should such Inadvertently Disallowed Claim(s) become Allowed following the Effective Date.

(c) To the extent the Debtors wish to include Inadvertently Disallowed Claim(s) in the Fully Unliquidated Claims Reserve following the Effective Date, the GUC Trust Administrator shall file with the Bankruptcy Court a declaration (the “**Inadvertently Disallowed Claim Declaration**”) (i) setting forth the reason for the addition of the Improperly Disallowed Claim(s), and (ii) establishing that the amount of the Fully Unliquidated Claims Reserve is still reasonable in light of the addition of the Improperly Disallowed Claim(s). The GUC Trust Administrator shall serve the Inadvertently Disallowed Claim Declaration on the holders of the remaining fully unliquidated Disputed General Unsecured Claim(s) subject to the Fully Unliquidated Claims Reserve (and, if prior to the Effective Date, the Creditors’ Committee).

(d) A holder of a Disputed General Unsecured Claim(s) shall have ten (10) days after service of the Inadvertently Disallowed Claim Declaration (the “**Inadvertently**

**Disallowed Claim Objection Deadline**”) to object to the proposed inclusion of the Inadvertently Disallowed Claim(s) in the Fully Unliquidated Claims Reserve by filing an objection, in writing, setting forth with specificity all objections to the proposed addition of the Inadvertently Disallowed Claim(s) (the “**Inadvertently Disallowed Claim Objection**”), and serve such objection upon the Debtors or the GUC Trust Administrator, as applicable, (and, if prior to the Effective Date, the Creditors’ Committee) so that the Inadvertently Disallowed Claim Objection is received no later than 4:00 p.m. (Eastern time), on the Inadvertently Disallowed Claim Objection Deadline.

(e) If an Inadvertently Disallowed Claim Objection is timely filed and served by the Inadvertently Disallowed Claim Objection Deadline, the Debtors or the GUC Trust Administrator, as applicable, will confer with the objecting party to attempt to resolve the Inadvertently Disallowed Claim Objection. In the absence of such agreement, either party may schedule a hearing on the inclusion of the Inadvertently Disallowed Claim(s) in the Fully Unliquidated Claims Reserve on not less than fourteen (14) days’ notice. The Debtors or the GUC Trust Administrator, as applicable, shall be entitled to file a reply no later than three (3) business days prior to the hearing.

(f) If no Inadvertently Disallowed Claim Objection is timely filed, the Fully Unliquidated Claims Reserve will be deemed to include the Inadvertently Disallowed Claims at issue and all parties in interest will be forever enjoined and barred from objecting to the inclusion of such Claims in the Fully Unliquidated Claims Reserve.

29. Adjustments to Fully Unliquidated Claims Reserve. Neither the Debtors nor the GUC Trust Administrator shall be required to reserve any amounts on account of unliquidated General Unsecured Claims in excess of the reserve amount proposed herein. As

such, and without limiting the foregoing, the Debtors and the GUC Trust Administrator will not be required to increase the reserves proposed herein as a result of any amendments by the Claimant to the unliquidated General Unsecured Claims filed from and after the date of this Motion. Notwithstanding the foregoing, as the Debtors continue to investigate claims, the amount that is necessary to be reserved may change between the filing of this Motion and the Effective Date of the Plan. Accordingly, the Debtors reserve the right to seek Court authority to (i) enlarge the amount of the Fully Unliquidated Claims Reserve in light of any new information received about the fully unliquidated General Unsecured Claims prior to the hearing on this Motion, including any information provided by holders of fully unliquidated General Unsecured Claims that may alter the Debtors' good-faith estimate of the reasonable high-end value of a particular claim; and (ii) reduce the amount of the Fully Unliquidated Claims Reserve to reflect a value reserved on account of any Disputed General Unsecured Claims that become Allowed as part of ongoing settlement discussions prior to the hearing on this Motion, or for any Disputed General Unsecured Claim for which an Individual Claim Reserve may be established prior to the hearing. Following the Effective Date, as established in the GUC Trust Agreement, and as Disputed General Unsecured Claims are resolved, the GUC Trust Administrator (in consultation with the GUC Trust Monitor) shall have the discretion to reduce the amount of the Fully Unliquidated Claims Reserve without seeking additional Court authority.<sup>9</sup>

---

<sup>9</sup> Section 5.4 of the GUC Trust Agreement provides for the quarterly distribution of Excess GUC Trust Distributable Assets "as and to the extent Disputed General Unsecured Claims are disallowed." Pursuant to Section 5.5 of the GUC Trust Agreement, the GUC Trust Administrator is required to retain "sufficient GUC Trust Distributable Assets as the GUC Trust Administrator shall determine, in consultation with the GUC Trust Monitor and subject to the Budget, as would be distributable (I) to all holders of Disputed General Unsecured Claims at the time outstanding as if all Disputed General Unsecured Claims were allowed at the Maximum Amount, but only until such Disputed General Unsecured Claims are resolved . . ." Absent an agreement, estimation or determination of the amount of such claim, the GUC Trust Agreement defines the Maximum Amount as "with respect to any Disputed General Unsecured Claim . . .

30. Additional Relief Upon Request. The Debtors and the GUC Trust Administrator reserve the right to seek additional relief relating to the Fully Unliquidated Claims Reserve, as they deem necessary or appropriate, including to implement additional or different procedures not inconsistent with the terms of the Plan or the Claims Reserves Procedures with respect to certain Claims or groups of Claims.

31. No Admission of Liability. This Motion is brought solely for the purpose of establishing the amount of the Fully Unliquidated Reserve and the Claims Reserve Procedures. Nothing set forth herein shall be deemed or construed as an admission of the Debtors as to any liability for any Disputed Claim. Further, nothing in this Motion is intended to limit the ability of any individual holder of a Disputed Claim to obtain a determination of the amount of its Disputed Claim or to recover on the basis of such proven amount in accordance with the Plan.

32. Asbestos Personal Injury Claims Not Included in Fully Unliquidated Claims Reserve. By this Motion, the Debtors are not seeking to set aside distribution reserve amounts on account of Asbestos Personal Injury Claims, including Indirect Asbestos Claims as defined in Section 1.92 of the Plan. The Plan provides for the establishment of an Asbestos Trust in order to, among other things, “direct the processing, liquidation, and payment of all Asbestos Personal Injury Claims”<sup>10</sup> and to “preserve, hold, manage, and maximize the assets of

---

in the case of unliquidated claims, the amount estimated by the Debtors and/or the GUC Trust Administrator.” GUC Trust Agmt § 1.1(jj). Accordingly, the GUC Trust Administrator has the discretion to reduce the amount of the Fully Unliquidated Claims Reserve as Disputed Unsecured Claims are resolved and may determine the amount necessary to maintain in the reserve absent determination of such claims.

<sup>10</sup> See Plan § 1.9 for the definition of Asbestos Personal Injury Claim which includes “any Claim, remedy, liability, or Demand for reimbursement, indemnification, subrogation, and contribution

the Asbestos Trust for use in paying and satisfying Asbestos Personal Injury Claims.” Plan § 6.3(b). Section 4.5 of the Plan specifies that “[t]he sole recourse of the holders of Asbestos Personal Injury Claims [in Class 5] shall be from the Asbestos Trust,” and therefore, the Debtors need not reserve for distributions on account of Indirect Asbestos Claims.

**The Fully Unliquidated Claims Reserve Should Be Approved by the Court**

33. Section 502(c) of the Bankruptcy Code provides for the estimation of contingent or unliquidated claims:

(c) There shall be estimated for purposes of allowance under this section –

(1) any contingent or unliquidated claim, the fixing or liquidation of which, as the case may be, would unduly delay the administration of the case; or

(2) any right to payment arising from a right to an equitable remedy for breach of performance.

11 U.S.C. § 502(c).

34. Although section 502(c) refers to the estimation of claims for allowance purposes, courts have estimated claims for other purposes, including setting reserves for plan distributions. *See, e.g., In re Lomas Fin. Corp.*, 172 B.R. 3, 4 (S.D.N.Y. 1994) (noting that the court had estimated certain claims to set up a reserve and cap the recovery of the claims); *In re Adelphia Commc’ns Corp.*, 368 B.R. 140, 279 (Bankr. S.D.N.Y. 2007) (estimating a creditor’s claim for future expenses for purposes of establishing a reserve); *In re Enron Corp.*, Ch. 11 Case No. 01-16034, 2006 WL 544463 (Bankr. S.D.N.Y. Jan. 17, 2006) (approving the debtor’s motion to estimate claims for purposes of establishing reserves and setting the reserve amount as the

---

(including, without limitation, any Indirect Asbestos Claim with respect to an Asbestos Personal Injury Claim).”

maximum amount of recovery); *In re Ralph Lauren Womenswear, Inc.*, 197 B.R. 771, 775 (Bankr. S.D.N.Y. 1996) (estimating a claim for voting purposes does not have any preclusive effect upon the ultimate disposition of the claim); *In re Thomson McKinnon Sec., Inc.*, 143 B.R. 612, 619 (Bankr. S.D.N.Y. 1992) (“The estimation process is an expedient method for setting the amount of a claim that may receive a distributive share from the estate”).

35. In addition, courts have recognized the ability to estimate disputed claims under section 502(c). See *In re Wallace’s Bookstores, Inc.*, 317 B.R. 720, 724 (Bankr. E.D. Ky. 2004) (holding that a liquidating supervisor had the right under section 502(c) to seek estimation of disputed claims pursuant to a plan of reorganization); *In re Adelphia Bus. Solutions, Inc.*, 341 B.R. 415, 422-23 (Bankr. S.D.N.Y. 2003) (estimating the disputed unliquidated amount of an administrative claim under section 502(c)).

36. The Court has discretion to select the valuation model that best suits the circumstances of the case at hand when estimating the value of claims. “[W]hen estimating claims, bankruptcy courts may use whatever method is best suited to the contingencies of the case, so long as the procedure is consistent with the fundamental policy of Chapter 11 that a reorganization must be accomplished quickly and efficiently.” *Adelphia Commc’ns*, 368 B.R. at 278. See also *Thomson McKinnon*, 143 B.R. at 619 (“In estimating the claim, the bankruptcy court should use whatever method is best suited for the circumstances.”); *In re Seaman Furniture Co.*, 160 B.R. 40, 41 (S.D.N.Y. 1993) (same); see also *Matter of Federal Press Co.*, 116 B.R. 650, 653 (Bankr. N.D. Ind. 1989) (noting that bankruptcy courts estimating claims may use whatever method is best suited to the case, including “accepting claimant’s claim at face value, estimating claim at zero and waiving discharge of claim, [or] arriving at court’s independent estimation of claim”).

37. In addition, the Court has broad authority under sections 1142(b) and 105(a) of the Bankruptcy Code over the property of the estate administered under the Plan and to issue any order necessary to implement the provisions of the Plan and the Bankruptcy Code. *See* 11 U.S.C. § 1142(b) (“The court may direct the debtor and any other necessary party to execute or deliver or to join in the execution or delivery of any instrument required to effect a transfer of property dealt with by a confirmed plan, and to perform any other act . . . that is necessary to the consummation of the plan”); *id.* § 105(a) (“The court may issue any order, process or judgment that is necessary or appropriate to carry out the provisions of this title”).

38. Section 1142(b) provides the Court with the authority to issue orders necessary to implement the terms of a confirmed plan. *See Hosp. & Univ. Prop. Damage Claimants v. Johns-Manville Corp. (In re Johns-Manville Corp.)*, 7 F.3d 32, 34 (2d Cir. 1993) (finding that bankruptcy courts retain postconfirmation jurisdiction to the extent provided by the plan); *In re Oversight & Control Comm’n of Avanzit, S.A.*, 385 B.R. 525, 535 (Bankr. S.D.N.Y. 2008) (“The bankruptcy court retains jurisdiction under 11 U.S.C. § 1142(b) . . . and it has ‘continuing responsibilities to satisfy itself that the [p]lan is being properly implemented.’”) (quoting *Findley v. Blinken (In re Joint E. & S. Dist. Asbestos Litig.)*, 982 F.2d 721, 750 (2d Cir. 1992)); *Penthouse Media Group v. Guccione (In re Gen. Media, Inc.)*, 335 B.R. 66, 73 (Bankr. S.D.N.Y. 2005) (finding that bankruptcy courts retain post-confirmation jurisdiction to matters related to the implementation of a plan); *In re Petition of Board of Dirs. of Hopewell Int’l Ins., Ltd.*, 272 B.R. 396, 407 n.11 (Bankr. S.D.N.Y. 2002) (“[T]he court may direct parties to perform any act necessary to consummate the plan.” (citing 11 U.S.C. § 1142(b))).

39. The Debtors arrived at their estimates for the unliquidated Disputed Claims in good faith, conservatively, and based upon appropriate review and analysis. The

Debtors also submit that the Claims Reserve Procedures described herein are fair, appropriate and consistent with the terms of the Plan.

40. Establishing the Fully Unliquidated Claims Reserve as proposed in this Motion is reasonable and will not unfairly prejudice Plan constituents. The Debtors' proposal to set the Disputed Claims Reserve at \$420 million, approximately \$50 million more than the Debtors' good faith estimate of the reasonable high-end aggregate value of the Disputed Claims, provides protections to holders of Disputed Claims against the possibility that the Debtors' aggregate estimates are too low, while still allowing meaningful distributions to be made to the holders of Allowed Claims as of the Effective Date in a fair and timely fashion.

41. Finally, during the course of these chapter 11 cases, as noted above, the Debtors have expunged or reduced in amount more than 23,721 Claims, resulting in a reduction of more than \$180 billion in asserted claims, and have resolved or will resolve more than \$74.4 billion in Claims through various entered or pending settlement agreements and the Plan. This effort demonstrates the Debtors' ability to properly and accurately estimate the Claims against the Debtors' estates. Accordingly, the Court can and should rely upon the Debtors' estimate of the ultimate Allowed amount of unliquidated Disputed General Unsecured Claims against the Debtors for purposes of approving a Fully Unliquidated Claims Reserve under the Plan.

42. Moreover, unlike other chapter 11 cases where a reserve and the estimation procedure to create a reserve may operate to limit the amount that any individualized creditor can recover, there is no such effect here. Rather, the Debtors seek to reserve an amount that is determined in the aggregate, but which does not operate to limit the ability of any one creditor to prove the amount of its claim or to recover on the basis of that proven amount, subject only to the aggregate cap of the Disputed Claims Reserve as set forth herein.

**Notice**

43. Notice of this Motion has been provided to (a) the holders of fully unliquidated Disputed General Unsecured Claims as set forth on Exhibits “B” through “H” hereto; and (b) parties in interest in accordance with the Fifth Amended Order Pursuant to 11 U.S.C. § 105(a) and Fed. R. Bankr. P. 1015(c) and 9007 Establishing Notice and Case Management Procedures, dated January 3, 2011 (ECF No. 8360). The Debtors submit that such notice is sufficient and no other or further notice need be provided.

44. No previous request for the relief sought herein has been made by the Debtors to this or any other Court.

WHEREFORE the Debtors respectfully request entry of an order granting the relief requested herein and such other and further relief as is just.

Motion; and due and proper notice of the Motion having been provided, and it appearing that no other or further notice need be provided; and the Court having found and determined that the relief sought in the Motion is in the best interests of the Debtors, their estates, creditors, and all parties in interest and that the legal and factual bases set forth in the Motion establish just cause for the relief granted herein; and after due deliberation and sufficient cause appearing therefor, it is

ORDERED that the Motion is granted as provided herein; and it is further

ORDERED that the Fully Unliquidated Claims Reserve be established for use by the GUC Trust pursuant to Article VII of the Plan to set aside distributions on account of certain fully unliquidated and Disputed General Unsecured Claims, or potential Claims, filed in these case which are not yet Allowed; and it is further

ORDERED that the initial distribution Fully Unliquidated Claims Reserve shall be funded based on a claim amount of \$420 million; and it is further

ORDERED that assets held in the Fully Unliquidated Claims Reserve shall be distributed pursuant to Section 7.4 of the Plan on account of Disputed General Unsecured Claims to the extent they become Allowed Claims; and it is further

ORDERED that excess amounts, if any, in the Fully Unliquidated Claims Reserve shall be distributed pursuant to section 5.4 of the GUC Trust Agreement; and it is further

ORDERED that the following Claims Reserve Procedures are hereby approved in all respects:

(1) Estimation of Individual Claims

- (a) In the event that the Debtors or GUC Trust Administrator determine that it is necessary or appropriate to establish a maximum specific reserve on account of any unliquidated,

Disputed General Unsecured Claim (each an “**Individual Claim Reserve**”), the Debtors may file a Notice of Estimation of Disputed Claim for Reserve Purposes (an “**Estimation Notice**”) with respect thereto, setting forth the asserted amount to be reserved for such Disputed General Unsecured Claim(s) and a summary of the grounds supporting the asserted amount. The Debtors or the GUC Trust Administrator, as applicable, shall serve the Estimation Notice on the holder of the underlying Disputed General Unsecured Claim(s) (and, if prior to the Effective Date, the Creditors’ Committee). An Estimation Notice also may be incorporated into an objection to a Disputed General Unsecured Claim.

- (b) The holder of such Disputed General Unsecured Claim(s) will have ten (10) days after service of the Estimation Notice (the “**Estimation Objection Deadline**”) to object to the proposed Individual Claim Reserve by filing an objection, in writing, setting forth with specificity all objections to the proposed Individual Claim Reserve, together with any documentation supporting such objection (collectively, “**Estimation Objection**”), and serve such Estimation Objection upon the Debtors or the GUC Trust Administrator, as applicable, (and, if prior to the Effective Date, the Creditors’ Committee) so that the Estimation Objection is received no later than 4:00 p.m. (Eastern time), on the Estimation Objection Deadline.
- (c) If an Estimation Objection is timely filed and served by the Estimation Objection Deadline, the Debtors or the GUC Trust Administrator, as applicable, will confer with the objecting party to attempt to resolve the Estimation Objection and determine the appropriate Individual Claim Reserve for the Disputed General Unsecured Claim. In the absence of such agreement, either party may schedule a hearing on the Estimation Notice and the related Estimation Objection on not less than fourteen (14) days’ notice. The Debtors or the GUC Trust Administrator, as applicable, shall be entitled to file a reply no later than three (3) business days prior to the hearing.
- (d) If no Estimation Objection is timely filed, the holder of the underlying Disputed General Unsecured Claim(s) at issue will be deemed to have consented to the Individual Claim Reserve and will be forever enjoined and barred from objecting to such Individual Claim Reserve. In such event, the Estimation Notice will be deemed to constitute a final and nonappealable order of the Bankruptcy Court establishing the Individual Claim Reserve, and the Debtors or the GUC Trust Administrator, as applicable, shall

not be required to reserve an amount in the GUC Trust that is greater than the Individual Claim Reserve on account of the Disputed General Unsecured Claim(s) at issue.

(2) Disallowed Claims

- (a) *No Reserves for Disallowed Claims.* Neither the Debtors nor the GUC Trust Administrator shall be required to maintain any reserves in the Fully Unliquidated Claims Reserve on account of any Claim, or portion thereof, that has been disallowed or denied by an Order of the Bankruptcy Court (each a “**Disallowance Order**”), notwithstanding any appeal or motion for reconsideration that may be filed by the holder of the Claim. A party seeking to appeal or obtain reconsideration of a Disallowance Order may request that the Court establish a reserve pending such appeal or reconsideration; provided the reserve for such Claim may not exceed any reserve in place prior to the entry of the Disallowance Order.
- (b) *Inadvertently Disallowed Claims.* Notwithstanding subparagraph (a) above, the Debtors reserve the right, following the Effective Date, to include certain Disallowed Claim(s) in the Fully Unliquidated Claims Reserve should such Disallowed Claims be determined to have been inadvertently disallowed in the course of the claims resolution process (the “**Inadvertently Disallowed Claims**”).
- (c) To the extent the Debtors wish to include Inadvertently Disallowed Claim(s) in the Fully Unliquidated Claims Reserve following the Effective Date, the GUC Trust Administrator shall file with the Bankruptcy Court a declaration (the “**Inadvertently Disallowed Claim Declaration**”) (i) setting forth the reason for the addition of the Improperly Disallowed Claim(s), and (ii) establishing that the amount of the Fully Unliquidated Claims Reserve is still reasonable in light of the addition of the Improperly Disallowed Claim(s). The GUC Trust Administrator shall serve the Inadvertently Disallowed Claim Declaration on the holders of the remaining fully unliquidated Disputed General Unsecured Claim(s) subject to the Fully Unliquidated Claims Reserve (and, if prior to the Effective Date, the Creditors’ Committee).
- (d) A holder of a Disputed General Unsecured Claim(s) will have ten (10) days after service of the Inadvertently Disallowed Claim Declaration (the “**Inadvertently Disallowed Claim Objection Deadline**”) to object to the proposed inclusion of the Inadvertently Disallowed Claim(s) in the Fully Unliquidated Claims Reserve by

filing an objection, in writing, setting forth with specificity all objections to the proposed addition of the Inadvertently Disallowed Claim(s) (the “**Inadvertently Disallowed Claim Objection**”), and serve such objection upon the Debtors or the GUC Trust Administrator, as applicable, (and, if prior to the Effective Date, the Creditors’ Committee) so that the Inadvertently Disallowed Claim Objection is received no later than 4:00 p.m. (Eastern time), on the Inadvertently Disallowed Claim Objection Deadline.

- (e) If an Inadvertently Disallowed Claim Objection is timely filed and served by the Inadvertently Disallowed Claim Objection Deadline, the Debtors or the GUC Trust Administrator, as applicable, will confer with the objecting party to attempt to resolve the Inadvertently Disallowed Claim Objection. In the absence of such agreement, either party may schedule a hearing on the inclusion of the Inadvertently Disallowed Claim(s) in the Fully Unliquidated Claims Reserve on not less than fourteen (14) days’ notice. The Debtors or the GUC Trust Administrator, as applicable, shall be entitled to file a reply no later than three (3) business days prior to the hearing.
  - (f) If no Inadvertently Disallowed Claim Objection is timely filed, the Fully Unliquidated Claims Reserve will be deemed to include the Inadvertently Disallowed Claims at issue and all parties in interest will be forever enjoined and barred from objecting to the inclusion of such Claims in the Fully Unliquidated Claims Reserve.
- (3) Adjustments to Fully Unliquidated Claims Reserve. Neither the Debtors nor the GUC Trust Administrator shall be required to reserve any amounts on account of unliquidated General Unsecured Claims in excess of the reserve amount proposed herein. The Debtors retain the right to seek Court authority to (i) enlarge the amount of the Fully Unliquidated Claims Reserve in light of any new information received about the fully unliquidated General Unsecured Claims prior to the hearing on this Motion, including any information provided by holders of fully unliquidated General Unsecured Claims that may alter the Debtors’ good-faith estimate of the reasonable high-end value of a particular claim; and (ii) reduce the amount of the Fully Unliquidated Claims Reserve to reflect a value reserved on account of any Disputed General Unsecured Claims that become Allowed as part of ongoing settlement discussions prior to the hearing on this Motion, or for any Disputed General Unsecured Claim for which an Individual Claim Reserve may be established prior to the hearing. Following the Effective Date, as established in the GUC Trust Agreement, and as Disputed General Unsecured Claims are resolved, the GUC Trust Administrator (in consultation with the GUC Trust Monitor) shall have

the discretion to reduce the amount of the Fully Unliquidated Claims Reserve without seeking additional Court authority.

- (4) Right to Seek Additional Relief. The Debtors and the GUC Trust Administrator retain the right to seek additional relief relating to the Fully Unliquidated Claims Reserve, as they deem necessary or appropriate, including to implement additional or different procedures not inconsistent with the terms of the Plan or the Claims Reserves Procedures with respect to certain Claims or groups of Claims.

ORDERED that by this Order, no reserves are being established with respect to Asbestos Personal Injury Claims, including Indirect Asbestos Claims as defined in Section 1.92 of the Plan; and it is further

ORDERED that the Debtors and the GUC Trust Administrator are authorized to take any and all actions that are necessary or appropriate to establish and administer the Fully Unliquidated Claims Reserve consistent with the terms of the Plan and this Order and to implement the Claims Reserve Procedures and the terms of this Order; and it is further

ORDERED that the relief sought in the Motion and granted in the Order, and the actions taken in connection with the creation of, and the determination of value of, the reserves established hereunder are acts taken in connection with the consummation of the Plan and as such are entitled to the protections provided by the Plan and the order confirming the Plan; and it is further

ORDERED that this Order shall have no effect on the allowance or disallowance of any of the Disputed General Unsecured Claims, and all rights, to dispute the validity, nature, amount or priority of any such Disputed General Unsecured Claims are hereby preserved; and it is further

ORDERED that the establishment of the Fully Unliquidated Claims Reserve and Claims Reserve Procedures is subject to confirmation of the Plan, and in the event the Plan is not

confirmed any relief granted in this Order shall be deemed void; and it is further

ORDERED that this Court shall retain jurisdiction to hear and determine all  
matters arising from or related to this Order.

TO, AMONG OTHER THINGS, CERTAIN UNLIQUIDATED CLAIMS IN  
CONNECTION WITH DISTRIBUTIONS TO BE MADE UNDER THE  
DEBTORS' AMENDED JOINT CHAPTER 11 PLAN**

I, Carrienne Basler, hereby declare under penalty of perjury:

1. I am a Managing Director for AlixPartners, LLP and a Vice President of Motors Liquidation Company ("MLC" and together with its affiliated debtors and debtors in possession, the "**Debtors**"). As part of my work I oversee the Debtors' claims process and have familiarity with the claims register maintained by the Debtors in these chapter 11 cases. I have extensive claims management experience and I have been personally involved in the claims reconciliation matters in the Dana Corporation, Hayes Lemmerz International, Inc., Mirant Corp.,

Harnischfeger Industries, Inc. (n/k/a Joy Global Inc.), and Woodward & Lothrop Holdings Inc. chapter 11 cases.

2. I submit this declaration in support of the *Debtors' Motion for Entry of an Order Establishing Claims Reserves with Respect to, Among Other Things, Certain Unliquidated Claims in Connection with Distributions to be Made Under the Debtors' Amended Joint Chapter 11 Plan* filed on February 11, 2011 (the "**Motion**"). I have fully reviewed the Motion and agree with the factual matters set forth therein. Except as otherwise indicated, all facts set forth in this declaration are based on my personal knowledge, upon information supplied to me by the Debtors' professionals including the MLC claims team, upon information learned from my review of the relevant documents or upon my experience and knowledge of the claims process in these chapter 11 cases. If called upon to testify, I can and will testify competently to the facts set forth herein.

**A. The Claims Resolution Process**

3. Upon information and belief, to date more than 78,000 proofs of claim have been filed in these cases, in addition to additional claims currently are identified in the Debtors' schedules of assets and liabilities.

4. The Debtors have diligently pursued the resolution of claims through prosecuting omnibus claims objections; pursuing claims settlements; pursuing claims resolutions under the Court-approved alternative disputed resolution procedures; and reconciling and allowing claims consistent with the Debtors' books and records.

5. Upon information and belief, the Debtors' efforts to date have resulted in a reduction in claims from approximately \$274 billion to less than \$50 billion. Claims have also

been reclassified where they improperly asserted either secured, administrative and/or priority claims.

6. Despite the Debtors' efforts in the claims resolution process and their considerable success in addressing and resolving thousands of claims, there remain potential unliquidated general unsecured claims that are yet to be resolved. The Debtors have made written request of the entities filing unliquidated claims, requesting that such claimants liquidate their claims or provide a cap for reserve purposes, and such efforts have been reasonably successful. Upon information and belief, as of the date of this Motion, the Debtors estimate that approximately 1,500 General Unsecured Claims remain fully unliquidated, of which 1,075 are subject to pending formal objections. The fully unliquidated claims are identified on Exhibits B through H to the Motion (the "**Fully Unliquidated Claims**"). As of the Effective Date, the Debtors believe there will be approximately 425 Fully Unliquidated Claims remaining.

**B. The Debtors' Estimate of Fully-Unliquidated, Disputed General Unsecured Claims**

7. The Debtors and their professionals have conducted an extensive, nearly claim-by-claim analysis of the fully unliquidated, disputed general unsecured claims in order to determine an appropriate reserve value for such claims. In performing this analysis, the Debtors and their professionals aimed to estimate each claim at a value that, to the best of the Debtors' knowledge, reflects a reasonable "high-end" estimate. These estimates are based upon (a) an analysis of the Debtors' books and records; (b) the underlying proofs of claim and supporting documentation; (c) communications, if any, with the holders of the claims; (d) the Debtors' history experience with similar claims (both prior to and during these cases); (e) the legal issues, if any, associated with the claims; and (f) such other factors as the Debtors deemed relevant on a claim-by-claim basis.

8. Based on the extensive review and analysis outlined above, I believe the reasonable high-end aggregate valuation of the Fully Unliquidated Claims to be approximately \$370 million. In the Motion, the Debtors seek to establish a total distribution reserve on account of the Fully Unliquidated Claims (the “**Fully Unliquidated Claims Reserve**”) in the amount of \$420 million, reflecting a \$50 million “cushion” over and above the Debtors’ estimate of the reasonable high-end aggregate valuation of the Fully Unliquidated Claims. This cushion of \$50 million will allow for unforeseen contingencies in the claims resolution process.

9. Although the Fully Unliquidated Claims Reserve is also designed to include damage claims resulting from rejection of executory contracts under the Plan, I do not expect a large number of rejected contracts and based on my review, any damage claims are not expected to be material.

10. Based upon my experience and knowledge of the claims process in these chapter 11 cases and the Debtors’ detailed analysis described above, I believe that the proposed Fully Unliquidated Claims Reserve amount is reasonable to reserve for distributions on account of certain unliquidated and disputed claims filed in these cases, which subsequently may become “Allowed” under the Plan.

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true and correct.
